

Safety Data Sheets Access

- 1) On a UNLV computer, go to the SDS website: <http://rms.unlv.edu/msds/>
- 2) Enter a Product Name, Part Number, CAS, Synonym or Manufacturer.

Example:

Safety Data Sheets Search

Please enter a Product Name, Part Number, CAS, Synonym or Manufacturer. When complete, press Search.

- 3) Press Search and select the desired SDS.

If the internet is down, please refer to your hard copies, backup disk, or contact RMS (895-4226) for the desired SDS. CHIMERA is available to assist with the updating of your hard copies. An annually updated backup disk can be supplied by request, please contact RMS for more details.
