Confined Space Entry Permit

Date Permit Number Work Order Number

Space Number to Enter ________________________________

Location and Type of Space (e.g. vault, manhole, etc.) ________________________________

Purpose of Entry

Will Contractors make this Entry? □ Yes □ No

If yes, the contractor must have a Confined Space Entry Program before entry.

Check the box for each PHYSICAL hazard present in the space.

- Converging Walls
- Electrical Shock
- Engulfment
- Hazardous Material

Check the box for each ATMOSPHERIC hazard present in the space.

- Low Oxygen (<19.5%)
- Carbon monoxide (>35 ppm)
- High Oxygen (>23.5%)
- Hydrogen sulfide (>10 ppm)
- Flammable gases (>10% LEL)
- Other: ________________________________
- Toxic gases (> PEL)

Will HOT WORK be performed in the space? □ Yes □ No

If yes, a Hot Work Permit will be required in addition to this Confined Space Permit.

Will any PHYSICAL hazard be eliminated before entry (e.g. Lockout/Tagout)? □ Yes □ No

If yes, use Reclassification Form.

Check the box for each step completed BEFORE ENTRY.

- Notify affected department(s)
- Ensure proper equipment (PPE, Rescue, etc.) is available
- Monitor space for atmospheric hazards (record below)
- Conduct pre-entry briefing on specific hazard and control methods
- Other: ________________________________

List EQUIPMENT needed to complete entry.

- Personal Protective Equipment
- Communication Equipment
- Voice
- Radio
- Sight
- Other: ________________________________

ATMOSPHERIC TESTING (Record results every 30 minutes)

NEVER ENTER A CONFINED SPACE TO ATTEMPT A RESCUE.

Use the following non-entry rescue equipment.

- Tripod
- Body harness and line

Contact Clark County Fire Department Technical Rescue (Station 21)
Phone Number: 455-7462

In the event of an emergency, call 9-1-1.

I certify that all precautions for a safe entry have been taken and all necessary safety equipment have been provided:

Signature of Entry Supervisor

This permit must be kept at the job site during the entire entry operation. When entry has been terminated, send the signed permit to Risk Management and Safety.
