

UNLV Radiation Safety Program Request to Ship RAM from UNLV

Instructions

All shipments of radioactive material from UNLV must have written authorization in advance by the UNLV RSO, or designee. To expedite these requests, please submit a completed electronic copy of this form to the UNLV RSO at brian.rowsell@unlv.edu. Word or PDF files are acceptable. Please contact the RSO by email or by phone (702-895-4419) if you have questions.

The RSO, or designee, will review your request and contact you. If the request is approved, the RSO, or designee, will package the material, prepare the required shipping documentation and make arrangements for the actual transportation. Thank you.
