

UNLV Radiation Safety Program Request to Ship RAM to UNLV

Instructions

All shipments of radioactive material to UNLV must have written authorization in advance by the UNLV RSO. To expedite these requests, please submit a completed electronic copy of this form to the UNLV RSO. Word or PDF files are acceptable. Please contact the RSO by email or by phone (702-895-4419) if you have questions.

The RSO will review your request and contact you. If the request is approved, the RSO will provide you with shipping instructions, our shipping address and, if necessary, a copy of UNLV's RAM license. Thank you.
