### Introduction:
The Rebel Risk Advisor will provide timely information to various stakeholders throughout the campuses about risk and safety topics issued every other month.

### FEATURED ARTICLE

**Start of a New Fall Semester**

The start of a new fall semester always brings excitement, anticipation, and various other emotions that can be a distraction for students, faculty, and staff regarding safety. RMS would like to remind the campus community that it is everyone’s responsibility to contribute providing a safe environment for all. RMS supports the campus with programs to avoid or mitigate possible losses to UNLV which can be detrimental achieving the goals and mission of the institution. Some of the programs include:

- Cart Safety Training
- CPR / First Aid / Stop-the-Bleed training
- Report a Safety Concern/Near Miss
- Vehicle Use Safety

All programs can be found on the RMS website:

[rms.unlv.edu](http://rms.unlv.edu)

**Who is Risk Management & Safety?**

In 2006, Insurance, Claims and Environmental Health & Safety was consolidated into one department, Risk Management & Safety (RMS). RMS is comprised of 24 dedicated FTE staff and 16 student workers within 7 specialized units consisting of:

- Chemical Inventory
- Environmental Management
- Fire & Life
- Occupational, Radiological
- Risk Management/Claims
- Training

All units are focused with providing a safe working and campus environment and protecting UNLV from loss while supporting the mission of UNLV. RMS also supports other institutions of NSHE including College of Southern Nevada and Nevada State College with their risk management and/or safety needs. The mission for Risk Management & Safety is:

To provide assistance and guidance for the development, implementation and monitoring of safety and risk reduction policies and procedures. The goal of the department is to protect the staff, students, visitors, and the institution from injury and/or financial loss.
